Reverse Solutions Dallas LLC has contracted 4 A Good Auction for a wholesale warehouse sale with a wide variety of quality goods every two weeks. The goods will include palletized lots as well as individual items. The wish is to create a dependable stream of goods for wholesalers, retailers, and the general public that are working to develop bigger business. The pictures give a pretty good sampling of the type of goods available. Every two weeks will be new merchandise to pick and bid on so check back for updates. Pictures of salvage, returns, new out of season, slightly damaged, new lost and unclaimed freight are arriving daily. A 20, 000 square foot facility with loading docks of various heights to accommodate tractor trailer truck load buyers as well as someone in a pickup and trailer. Fork lift is available to move your palette goods. No air conditioning in the warehouse so I will do the auctions at 10 AM before it gets to hot so bring lots of water and other coolants for yourself. I will sell fast so come in earlier to preview and meet Larry Bachman the GM of the facility. Notice inventories are subject to change up to sale time, I will update as often as I can. More pallets of goods are added late and not everything will get listed: Pallets of Car lift, Organic baby food, PVC cement, Coleman mack A/C Unit, Ironman treadmill, Smartsaver total pool automation, Castrol Molub alloy MWO 30/100, Metal reel w/ Fluorescent tromp light, Cervitor Cabinet w/ Range & sink, Abscold refrigerator, Hon 5 drawer lateral file cabinet, Blue metal storage unit, Madison clothes dryer, wood & steel shelving, microwave, wicker basket w/ metal stand, Toshiba color monitor, Sharp solar module, Porter cable air compressor, toilet seat covers, Howard Leight hearing protection, Rhino-x can liners, Continuous roving glass fiber, fire place, alcohol prep pads, Slim Jim jerky, Vertical lockers, residential sprinkler heads, stacking chairs, StaRite pumps pulsar system, 20x8.5 wheels, gallon buckets Pittsburgh paint, wooden frame canopy, car seat, Jarvis ladder, Toshiba fax machine, Hevi-duty shielded drive isolation transformer, steel cable clamps, car window, commercial vent a hood, LG flat screen TV, Phillips Plasma TV, Fireplace, tables, fluid master No-Seep, ear plugs, vanity lights, Orion fans, canopy's, wolf steel log set, Paul Flum gravity organizers, paper towels, Reese supply mounting brackets, copper clad pointed electrodes, Armstrong tile, picture frames, McDonald Miller flow switch, bleach, all purpose cleaner, Sweet n low, pirate costumes, air filters, solo cups, blood pressure monitors, bicycles, monomax gas shocks, flowserve, Lincoln hose reel, sinks latex free vinyl gloves, front door, APC Smart-UPS SC420 transformers, JOBOX, Zurn multi-head crimp tool kit.
